

**CHILDREN'S BOOK SUGGESTIONS TO RAISE AWARENESS OF WILDLIFE:**

**MIKE'S RECOMMENDATIONS:**

**Woodland Activities**

Books by Jane Worroll and Peter Houghton have activities for woodlands and have some seasonal/foraging wildlife facts:

- Play the Forest School Way: Woodland Games and Crafts for Adventurous Kids
- A Year of Forest School: Outdoor Play and Skill-building Fun for Every Season

Mike can recommend a beautiful online story called Golden Wings – it's free and looks at the world through a barn owl's eyes. Robert Vaughan is the illustrator.

It's available now at: <https://birdwatchireland.ie/golden-wings/>

Mike's kids love Julia Rothman's book this but this is slightly higher level than pre-school

**SEASHORE**

There are some great seashore books that are excellent for a day out to the beach and for rock pooling – see basic Colins guide books, usually a pocket books do the trick.
